
Laundry List Landscape

OBJECTIVE	Ink is a versatile medium that lends itself to a variety of drawing techniques. Using techniques practiced in class you will create an original drawing that incorporates a number of different elements. You will first be challenged to create a collage from which you will base your brush and ink drawing.
MATERIALS	• printed images
GRADING	10 points (1 point for each image)
INSTRUCTIONS	You will collect 10 images to use in a landscape drawing for <u>next week's</u> homework assignment. Using these printed images you will create a collage in class. After consulting with the instructor you will then use this collage to begin a landscape drawing using brush and ink in class <u>next week</u> .
