

Gesture Drawings

- OBJECTIVE** By using a more fluid and rapid line to draw over the contours and surface of objects you will learn to process the information you observe much more quickly. Gesture drawing helps you to capture the essential character of your subject in fewer yet more meaningful lines.
- MATERIALS**
- sketchbook (or paper) no smaller than 8.5" x 11"
 - black ink pen
- GRADING** 10 points (2 points per sketch)
- INSTRUCTIONS** 1) Sketch five of the objects you will use in homework assignment #3, one item per page. Draw them in black ink pen using a gesture line that includes the contours and surface details of the objects.
